MEMORANDUM FOR: D/OP

FROM:

SUBJECT: Justice Department proposed report on H.R. 1710, a bill to remove maximum hiring ages and mandatory retirement ages for federal employees not covered by the Age Discrimination Act/ Comments for OMB

1. Attached for your review and comment is a proposed draft report by the Justice Department on H.R. 1710. If enacted into law, this bill would remove maximum hiring ages and mandatory retirement ages for selected federal employees not covered by the Age Discrimination in Employment Act of 1967.

2. Section 11 of H.R. 1710 removes the discretionary retirement authority of the DCI found in section 235 of Central Intelligence Agency Retirement Act of 1964, as amended.

3. It appears that many of the arguments in the Justice Department letter to justify current retirement authority for law enforcement officers can also be used to justify the DCI discretionary retirement authority for certain CIA employees.

5. So that we may provide a timely reply to OMB, please give us your verbal or written response by September 18, 1985.
